School Overview

Benarkin State School is a small school located on the D'Aguiar Highway about 200km from Brisbane. Established in 1910, Benarkin serves a rural community that historically focussed on the timber industry and railway. Our mission is to provide a stimulating, positive and supportive learning environment that encourages every child, every day to achieve their best. We value each child as an individual and respect his/her right to learn in a safe, happy and healthy environment. Our focus is to involve our students in meaningful hands-on learning experiences, to broaden their view of the world and open their options for the future. We value the importance of physical activity and healthy food choices. Students are involved in a daily iAims program. Benarkin School is proud to be the first school to involve all students in the Stephanie Alexander Kitchen Garden National Program. Our students spend one and a half hours each fortnight in the garden, learning sustainable, organic gardening practices, and one and a half hours each fortnight cooking nutritional meals from their garden produce. This valuable program integrates meaningful, active learning in English, Maths, Science and Social Skilling.

Principal's Foreword

Introduction

School Progress towards its goals in 2017

Benarkin State School used Investing for Success funding to help meet school priorities.

Upgrading IT programs and equipment toward assisting the development of student capabilities in online education, allowing for better data collection and tracking of student progress.

Introduction of a STEM program to the whole school, lifting the performance of our top students.

Supporting our school based Play Group program for pre prep students.

Future Outlook

The key areas for improvement as outlined in Benarkin State School's Annual Implementation Plan 2018 are:

1. Implementation of Whole School Curriculum incorporating Positive Behaviour for Learning
2. Implementation – The Teaching of Reading
3. Review PACE Framework
4. Promote Benarkin State School Playgroup & Pre Prep program
5. Continue and grow STEM Cluster Library
6. Provide opportunities for staff to build capacity to consistently and effectively deliver the school's focused improvement agenda

Our School at a Glance

School Profile

Coeducational or single sex:	Coeducational
Independent Public School:	No
Year levels offered in 2017:	Prep Year - Year 6

Student enrolments for this school:

	Total	Girls	Boys	Indigenous	Enrolment Continuity (Feb – Nov)
2015	23	14	9		88%
2016	28	17	11	3	82%
2017	27	15	12	1	88%

Student counts are based on the Census (August) enrolment collection.

In 2017, there were no students enrolled in a pre-Prep** program.

** pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (<https://qed.qld.gov.au/earlychildhood/families/pre-prep-indigenous>).

Characteristics of the Student Body

Overview

The students of Benarkin State School generally live in a rural setting. Most students are from Anglo-Australian backgrounds. Benarkin is located in the South Burnett at the top of the Blackbutt Range. It is an area where employment opportunities are limited and high transience is reflected in the above figures. The Benarkin area is relatively low socio economic with most students living on small acreage.

Average Class Sizes

The following table shows the average class size information for each phase of schooling.

AVERAGE CLASS SIZES			
Phase	2015	2016	2017
Prep – Year 3	9	16	12
Year 4 – Year 6		9	
Year 7 – Year 10			
Year 11 – Year 12			

Curriculum Delivery

Our Approach to Curriculum Delivery

The Benarkin State School Whole Curriculum Plan outlines how the school addresses curriculum, pedagogy, assessment and reporting (in line with the P – 12 Curriculum, Assessment and Reporting Framework) It provides links between Education Queensland documents and school based documents. Benarkin State School Whole School Curriculum Plan is developed around F-10 ACARA whilst adopting C2C resources provided by Education Queensland.

The school is committed to developing teacher practices through professional development focusing on aspects of curriculum implementation and assessment and the incorporation of a proactive approach to planning and teaching. This is evidenced by the development of rigorous units, innovative use of ICT and the incorporation of a variety of productive pedagogies within quality programs.

Co-curricular Activities

Annually our students participate in sporting and arts activities with other small schools in our area:

- Small Schools Cross Country
- Small Schools Athletics Carnival
- Small Schools Swimming Carnival

- Design Technology Challenge Day
- Under 8's Day
- ANZAC Day
- Athletics, Dance and Benarkin to Linville Bike Ride – along Historic Rail Trail

How Information and Communication Technologies are used to Assist Learning

Information and Communication Technologies are embedded into all areas of the curriculum. Both junior and senior classroom have interactive projectors which are used to support teaching and learning. Students can access our computer lab that houses 8 desktop and 6 laptop computers. We also have 2 iPads for student use. Daily ICT skill lessons are conducted here through a mathematical skill building program – Mathletics, design and multimodal assessment tasks.

Units of work are planned to integrate ICT skills and use of digital technologies to support learning. Teaching staff have a "computer for teachers" (C4T) laptop which facilitates planning, assessment and reporting and also have their Digital Pedagogical Licence or ICT Certificates.

Social Climate

Overview

Benarkin offers a stimulating hands-on learning environment that focuses on meeting the learning needs of each individual. Key to meeting these needs is building in our children the self-belief that they need to develop as independent learners and have aspirations for a positive future. Our school prides itself on our four expectations of:

Be Safe, Be Responsible, Be Respectful, Be Resilient

These are explicitly modelled and taught along with The Respectful Relationships program to provide our students with the social skills for the wider society. Our PBL data reflects an overall growth in student understanding of rules and expectations; an increase in the explicit teaching of our expectations and consequences - everyone on the same page. At Benarkin, student behaviour concerns are discussed with all staff as it is seen as vitally important that everyone working with each child is up to speed with each individual.

Students displaying behaviour of concern are encouraged to "use their words" to express their feelings and problems. When altercations occur between children, mediation is used where a supervised discussion is entered into to unpack what happened, how each person felt, where incorrect choices were made and what positive choices can be made in the future. This provides for our students a scaffold of social skills that they can employ in any social setting. Bullying is not tolerated at Benarkin State School.

Parent, Student and Staff Satisfaction

Parent opinion survey

Performance measure			
Percentage of parents/caregivers who agree# that:	2015	2016	2017
their child is getting a good education at school (S2016)	50%		100%

* Nationally agreed student and parent/caregiver items

'Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement.

DW = Data withheld to ensure confidentiality.

Parent and community engagement

Parents are encouraged to involve themselves in our school. Parents now come along and volunteer regularly in the fortnightly Wednesday Kitchen Garden Program. Some parents and wider community members also support students with reading; changing reading books, fundraising days and interschool sporting days. Parents are always keen to attend school functions such as presentation nights; small schools' sporting events and concerts. We expect a "Door to Door" drop off and pick up of all students and parent communication with principal and teachers is a daily expectation. Invitations are sent to parents inviting them to attend special events. The fortnightly newsletter and Facebook page advertises all upcoming dates.

Respectful relationships programs

The school has developed and implemented a program that focus on appropriate, respectful and healthy relationships. Through our explicit teaching of our PBL expectations, students develop personal safety and awareness, including identifying and responding to abuse and violence and developing students' knowledge and skills to be able to resolve conflict without violence and to recognise, react and report when they, or others, are unsafe.

The school has developed and implemented a program that focus on appropriate, respectful, equitable and healthy relationships.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2015	2016	2017
Short Suspensions – 1 to 10 days	8	11	0
Long Suspensions – 11 to 20 days	0	0	0
Exclusions	0	0	1
Cancellations of Enrolment	0	0	0

Environmental Footprint

Reducing the school's environmental footprint

Benarkin State School makes every effort to reduce its environmental footprint through its management of water and energy use; its commitment to recycling and waste management and in developing the biodiversity of our school environment. Our school has a formal Sustainable Environmental Management Plan in place that addresses our focus on the key issues. Our belief is that it is important to model to our students and our wider community the importance of environmental diligence. We reduce our carbon footprint by:

- Recycling as much waste as possible through our composting; worm farms and garden mulching and chickens.
- Reducing our waste to landfill significantly through recycling initiatives, such as our "Do the Right Thing- Use the Right Bin" colour coded bin system.
- Harvesting all water used in our large kitchen gardens using tanks installed.
- Solar Power feeding back into the grid.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2014-2015	8,689	76
2015-2016	15,115	144
2016-2017	18,692	332

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

School Funding

School income broken down by funding source

School income, reported by financial year accounting cycle using standardized national methodologies and broken down by funding source is available via the *My School* website at <http://www.myschool.edu.au/>.

To access our income details, click on the *My School* link above. You will then be taken to the *My School* website with the following 'Find a school' text box.

**Graduate Diploma etc. includes Graduate Diploma, Bachelor Honours Degree, and Graduate Certificate.

Professional Development

Expenditure On and Teacher Participation in Professional Development

The total funds expended on teacher professional development in 2017 were \$ 7586

The major professional development initiatives are as follows:

- THRASS
- Lyn Sharratt - Effective Literacy Teaching
- Whole Staff Mandatory Training
- Anita Archer Module 6 – Explicit Instruction
- Principal Conference and Regional Meetings

The proportion of the teaching staff involved in professional development activities during 2017 was 100%.

Staff Attendance and Retention

Staff attendance

AVERAGE STAFF ATTENDANCE (%)			
Description	2015	2016	2017
Staff attendance for permanent and temporary staff and school leaders.	93%	96%	96%

Proportion of Staff Retained from the Previous School Year

From the end of the previous school year, 98% of staff was retained by the school for the entire 2017.

Performance of Our Students

Key Student Outcomes

Student Attendance

Student attendance

The table below shows the attendance information for all students at this school:

STUDENT ATTENDANCE 2017			
Description	2015	2016	2017
The overall attendance rate* for the students at this school (shown as a percentage).	90%	90%	92%
The attendance rate for Indigenous students at this school (shown as a percentage).		94%	82%

*The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

The overall student attendance rate in 2017 for all Queensland Primary schools was 93%.

AVERAGE STUDENT ATTENDANCE RATE* (%) FOR EACH YEAR LEVEL													
Year Level	Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12
2015	90%	94%	89%	90%	84%	98%	89%						
2016	93%	93%	87%	91%	88%	90%	93%						
2017	97%	92%	94%	90%	89%	89%	97%						

*Attendance rates effectively count attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

DW = Data withheld to ensure confidentiality.

Student Attendance Distribution

The proportions of students by attendance range:

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the Department of Education procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

All children are encouraged to attend school every day. When children are absent parents are required to notify the school by phone, text message or letter to inform us of the reasons for their child's absence. Rolls are marked twice a day electronically using OneSchool, noting any reasons given for failure to attend school.

A phone call or text message to parents of absent students is made every day after morning roll call in accordance with Regional guidelines.

Furthermore, in working towards "No Unexplained Absences" a letter is sent home to any parent who does not contact the school following a student absence.

Prolonged absences where parents have failed to notify the school are addressed by the school with a letter reminding parents of their legal obligation to ensure their child's regular attendance. Regular newsletter articles remind parents about their responsibility to have their child at school learning every day. An Attendance Policy is published on the Benarkin school web site.

At weekly assemblies the students and principal discuss school attendance and its importance to their learning.

NAPLAN

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.
